

CREED SPEAKING

2017-2021

NATIONAL FFA
CAREER AND LEADERSHIP
DEVELOPMENT EVENTS

IMPORTANT NOTE

Please thoroughly read the introduction section located on [FFA.org/cdeintro](https://www.ffa.org/cdeintro) for complete rules and procedures that are relevant to all National FFA Career/Leadership Development Events.

Purpose

The FFA Creed outlines the organization's beliefs regarding the industry of agriculture, FFA membership and the value of citizenship and patriotism. The Creed is recited by FFA members as part of the requirements to earn the Greenhand FFA Degree. The purpose of the Creed speaking leadership development event is to develop the public speaking abilities of 7th, 8th and 9th grade FFA members as well as develop their self-confidence and contribute to their advancement in the FFA degree program.

Event Rules

The National FFA Creed Speaking Leadership Development Event will be limited to one participant per state. The participant must qualify in grades 7, 8 or 9. The participant must compete at the next national convention following their state qualifying round.

- It is highly recommended that participants wear FFA Official Dress for this event.
- Three to five competent and impartial persons will be selected to judge the event. At least one judge should have an agricultural/ FFA background. Any advisor who has a student competing in a speaking event may not serve as a judge for the that respective speaking event.
- Each state association is to provide a judge for the preliminary and potentially semifinal rounds of the event.
- Any participant in possession of any electronic device is subject to disqualification.

Event Format

The event will include an oral presentation and answering critical thinking questions directly related to the Creed.

Each participant will be asked three questions per round with a five minute total time limit. The questions used will change as the participant progresses to semifinal and final rounds of the event. The questions will be formulated annually by the Creed speaking leadership development superintendent and will avoid two part questions. Past questions will be released in the CDE Q & A found on [FFA.org](https://www.ffa.org).

Members will present the Creed from the current year's *Official FFA Manual*.

The event will be a timed activity with four minutes for presentation. After four minutes, the participant will have one point deducted for every second over set time.

The national event will be conducted in three rounds: preliminary (consisting of five to eight speakers per section), semifinals (two sections of eight speakers each) and finals (four participants). The top two speakers from each preliminary section will advance to the semifinals. The top two speakers from the semifinal sections will advance to the final round. No ranking will be given except for the final four. Feedback for all participants will be distributed at the awards function.

Event officials will randomly determine the speaking order. The room facilitator will introduce each participant by participant number and state association in order of the drawing. No props are to be used. Applause shall be withheld until all participants have spoken.

Each participant must recite the Creed from memory. Each participant shall begin the presentation by stating, “The FFA Creed by E.M. Tiffany.” Each CDE participant shall end the presentation with the statement, “... that inspiring task. Thank you.” Additional introductory or concluding remarks will result in accuracy deductions as indicated on the scorecard.

Participants will be held in isolation until their presentation. Participants will not be allowed to have contact with any outside persons.

At the time of the event, the judges will be seated in a designated section of the room in which the event is held. They will score each participant on the delivery of the Creed and responses using the rubric provided.

Timekeepers will be designated to record the time used by each participant in delivering his/her speech. Content accuracy judges will record the number of recitation errors during delivery.

When participants have finished the presentation and answering of questions, each judge will total the score of each speaker. The timekeepers’ and accuracy judges’ records will be used in computing the final score for each participant. The judges’ score sheets will then be submitted to event officials to determine final rankings of participants.

Participants will be ranked in numerical order on the basis of the final score to be determined by each judge without consultation. The judges’ ranking of each participant then will be added, and the winner will be that participant whose total ranking is the lowest. Other placings will be determined in the same manner (low point score method of selection).

During preliminary and semifinal rounds, recording of presentations is permitted by one person from each participant’s association for that participant only.

Tiebreakers

Ties will be broken based on the greatest number of low ranks.

Participant's low ranks will be counted and the participant with the greatest number of low ranks will be declared the winner. If a tie still exists, then the event superintendent will rank the participant's response to questions. The participant with the greatest number of low ranks from the response to questions will be declared the winner. If a tie still exists then the participant's raw scores will be totaled. The participant with the greatest total of raw points will be declared the winner.

Awards

Awards will be presented to individuals based upon their rankings at the awards ceremony.

Awards are sponsored by a cooperating industry sponsor(s) as a special project and/or by the general fund of the National FFA Foundation.
