Follow Your Path to Teach Ag!

Teaching agricultural science and technology is a fun and rewarding career.

Whether you’re a recent high school graduate, an FFA alumni, or a working adult considering a career change, follow your path to obtain your CT teaching certificate and begin your career as an ag teacher!

- Enroll in college to get a degree in agriculture or related fields.
- Complete your baccalaureate degree.
- Enroll in a teacher preparation and/or Master’s program in education.
- Earn your teaching certificate and Master’s Degree*.
- Earn a high school diploma or GED certificate.

More information can be found at:
