

## PRIDE

## Animal Labs

### Preparation

Know emergency procedures for evacuation, lockdown, lockout, etc.

- Change shoes, clothes, or use scrubs/coveralls
- Make sure all supplies (bedding, feed, etc). are available, and that there is enough for the next day
- Write down & report supply shortages to teacher

### Respect

Respect each other's space and property

- Provide proper care to the animals
- Do your share of work
- Work cooperatively with others
- Always finish your tasks

### Integrity

Accept responsibility for your actions.

- Handle animals properly & ensure their safety
- Properly secure cages & accessories
- Report any concerns regarding animal health & safety to teacher

### Determination

Always follow directions.

- Complete all tasks assigned to you
- Assist in general lab clean up; sweeping floors, counters, sinks, garbage, laundry, tools etc.

### Excellence

Consistently put forth your best effort.

- Stay on task and work efficiently
- Help classmates
- Take pride in your work; the animals are counting on you!
